

Board Conflict of Interest Policy

The LaRue County Public Library Board believes that it is fundamentally important that the public perceives that all policies and decisions of the Board are fairly and impartially determined, and that the personal financial interests of the Board members do not conflict with the interests of the Library. To that end, the Board has adopted the following policy:

1. A Board member shall not participate, directly or indirectly, in the making of any contract on behalf of the Library in which he or she has a personal financial interest; nor shall a Board Member participate in any decision or recommendation involving the Library in which they have a personal financial interest.
2. Any Board member aware of a personal conflict of interest regarding a matter coming before the Board shall bring this to the attention of the Board. The President of the Board shall rule as to whether the situation constitutes a conflict. If a conflict exists, the Board member shall abstain from voting and excuse him/herself from any discussion regarding the matter by leaving the room, and shall not be counted in determining the quorum if that has not already been established for the meeting. These points shall be recorded in the Minutes of such meetings.
3. In the event that the President has a conflict or perceived conflict, the Vice-President will fulfill the role of investigating and ruling on the conflict.
4. A Board member shall not hire or recommend the hire of a director or staff member that is a member of the board or any person related to a member of the board closer than a second cousin.
5. The Board, in accordance with this policy and applicable law, shall deal with any conflict of interest brought to its attention.
